To Whom It May Concern

This is to certify that Mr. V. Abilakshan has successfully completed his internship as a Planning Intern with our organization Riyan Private Limited Male', Maldives, from 14th December 2025 to 29th January 2026 (7 weeks, in-person) and 22nd February 2026 to 12th March 2026 (3 weeks, remote). During this period, he demonstrated strong technical aptitude, professionalism, and a keen interest in planning and geospatial technologies.

During his internship, he contributed to the development of a Land Information System (LIS) using GIS tools such as ArcGIS Pro, ArcGIS Online, and QGIS. His responsibilities included organizing project data, establishing GIS databases using PostgreSQL/PostGIS, and supporting mapping and visualization through GeoServer and web-based technologies. He also assisted in coastal sediment laboratory analysis and participated in field land demarcation activities in Ga. Kon'dey, including drone data processing and documentation.

Additionally, he supported the Resilient Schools Project by creating temperature-based heat maps to analyze environmental conditions within school premises. Throughout his internship, he demonstrated a strong willingness to learn and the ability to work both independently and collaboratively. We wish him all the best in his future endeavors.

Should you require any further information, please feel free to contact us.

Sincerely,

Aishath Shifleen
